We are also specialized in the field of Supplying Electrical, Mechanical and Instrumentation, Plant Utilities & Spares, Turnkey Engineering, Fabrication Project & Non Standard Piping & fittings Specialist with Approved make etc.

We are also in Supply of Pipes, Tubes, Plates, Butt-Welding / Forged Pipe-Fittings, Flanges, Pipes, Tubes & Plates in Stainless Steel, Duplex Steel, Super Duplex Steel, Carbon Steel, Alloy Steel, Nickel/Super Alloys & many other Ferrous / Non-Ferrous Metals.

We are able to supply all types of Fittings, Flanges & Fabricated Pipes as per National/International standards and as per customers special requirements/specifications/drawings for application in Refineries, Petrochemicals, Chemicals, Oil & Gas, Fertilizers, Pharmaceuticals, Food & Beverages, Sugar, Paper, Power, Waste Water Treatments, Shipbuilding, Aerospace, Engineering, Nuclear, Defense, Research centers etc.

VALVES

NJ Maritech Supply Pipeline Valves in all types, sizes, pressure classes & materials to the Oil & Gas Industries Worldwide.

Types of Valves Supplied:

Ball, Gate, Globe, Check, Butterfly, Through Conduit Gates, Control, PSV, Needle and Double Block & Bleed, Cryogenic, Manual & Actuated, Topside & Subsea.

Sizes : 1/2" to 48"

Materials - From standard to special

Carbon steel, Low Temp Carbon steel, High yield steel, Alloy steel, Stainless steel, Duplex, Copper Nickel.

PIPE / FITTINGS / FLANGES

NJ Maritech supply all types, sizes and specifications of Line Pipes, Flanges, Fittings, Couplings to meet your project requirements.

MATERIAL :

Alloy Steel, Low Temperature Carbon Steel, High Yield Steel, Duplex Grade, Copper Nickel, Stainless steel.

GASKETS

We supply Gaskets of Non asbestos, Spiral wound, RTJ rings, sheet, Inhibitor gaskets & insulation kits as per requirement.

MATERIAL :

Alloy Steel, Low Temperature Carbon Steel, High Yield Steel, Duplex Grade, Copper Nickel, Stainless steel.

HUBS & CLAMPS

We supply all types of Hubs & Clamps & Connectors of all brands and designs are available either as standard or as a specialized package uniquely tailored to your project requirements.

All Sizes & pressure ratings & specs are covered.

MATERIAL :

Alloy Steel, Low Temperature Carbon Steel, High Yield Steel, Duplex Grade, Copper Nickel, Stainless steel.

HOT STABS & RECEPTACLES

NJ Maritech supply High Pressure / High Flow Service, Single or Double sided configurations has universal body Universal male stab, flooding stabs & pressure plugs which act as secondary barrier.
